

## Cast List for Acting Up's Musical Revue "The Lighter Side of Broadway"

### Important Message to All Who Auditioned

Thank you for auditioning! You should all be proud that you were able to stand in front of a group of strangers and perform. It is not an easy thing to do, but you all did it and we continue to be impressed with the talent. We're going to have a ton of fun not only performing, but rehearsing this show. You'll have a complete blast; you'll make new friends; and you'll allow others who may be directing future shows to get to know you and see what you can do. Whether you realize it or not, every show is an "audition" for future shows. We're very excited about this cast, and can't wait to get started!
